Monday, 29 October 2007

Rajah Diamond. Reported to be one of two large diamonds (the other being the Light of India Diamond) that belonged to the late Boston socialite, Mrs. Jack Gardner. The stones were purchased from Tiffany's in 1886 and according to the bill of sale they weighed 25.5 carats and 12.38 carats. Unfortunately, the bill did not specify which diamond had which weight. Owned by another Bostonian; name undisclosed. See

LIGHT OF INDIA DIAMOND.
